

CORIAN® DESIGN INTRODUCE UNA SERIE DI
AFFASCINANTI ESTETICHE CHE STIMOLANO
NUOVE IDEE E OFFRONO NUOVE POSSIBILITÀ
PER RENDERE PIÙ BELLO E FUNZIONALE
OGNI SPAZIO RESIDENZIALE E PUBBLICO.

Corian® Design ha preso ispirazione da fonti
molto diverse, come la foresta, il design moderno
di metà '900, i materiali lapidei traslucenti
e lo stile industriale.

Le nuove estetiche di Corian® Solid Surface
enfaticizzano lo spirito e la volontà di Corian® Design
di essere all'avanguardia, offrire nuovi strumenti
espressivi e ampliare le possibilità di applicazione.
Le nuove estetiche aiutano a sviluppare soluzioni
di grande personalità. Da sole o combinate
ad altre estetiche, permettono di trasformare
ed elevare la bellezza e la funzionalità di ogni
spazio, in linea con lo slogan Make Your Space™
di Corian® Design che comunica questa visione
e queste possibilità.
